Planning

99/44 After a long discussion was agreed to put the following strategy to the next meeting of the Council:

- 1) that the ideal would be no development preferably as there is no District Plan permitting such development.
- 2) the Council holds to it's original submission on the Draft Local Plan amended as per the attached.
- 3) if the two developments go to appeal the Council demands that they are considered one against the other.
