

Dorset County Council intends to construct a new access drive to link Southbrook to the new Bere Regis Primary School Site. The route of the drive is across Souls Moor to the north of Egdon Close on registered common land owned by the Parish Council. By law it is necessary to deregister the area affected by the road construction and provide a new area of common land as replacement.

The new drive will be unfenced and unlit and will be used only by school staff and essential delivery and service vehicles and will include a designated footway which will be open for public pedestrian use.
