

PROPOSED OVERNIGHT TEMPORARY CLOSURE OF C6 SOUTHBROOK, BERE REGIS

I have received an application from Wessex Water to close Southbrook, Bere Regis between Egdon Close and West Street (in both directions), a distance of approximately 70 metres. The closure has been requested to provide Wessex Water with safe access to undertake sewer lining works. These works are programmed to commence from 19:00 until 07:00 on 11th May 2026 until 15th May 2026.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 17th April 2026

View all roadworks in your area - dorsetcouncil.gov.uk/roadworks-events or read the council's [guide to roadworks](#) for general information and advice.
